# THE GOSPEL IN THE PASSOVER

## WHY PASSOVER?

The Gospel in the Passover presentation demonstrates how the gospel is at the very centre of Israel's ancient festival of redemption and how Jesus - the perfect Lamb of God - is revealed through the ceremony that is still observed by Jewish people across the world.

## WHAT TO EXPECT

Our missionary will take your church through the traditional Passover Seder, explaining the various elements and how they relate symbolically to Jesus and the gospel. As the events recorded in Exodus are explained, Jesus as Messiah is revealed.

The Gospel in the Passover is a powerful and engaging presentation through which the gospel really comes alive.

## WHO WE ARE

International Mission to Jewish People has been sharing Jesus with Jewish people for nearly 180 years. Today we have missionaries in the UK, Israel, France, Holland, Hungary, Ukraine, USA, Australia and New Zealand who faithfully reach out to Jewish people in desperate need of the gospel.
